

## ALL INTERNATIONAL TREATISES

Get easy access to a customized collection of international treatises.

The global marketplace continues to expand. That means you need an authoritative information source to help you grasp complex laws from around the world – and do it as efficiently as possible. All International Treatises on Westlaw® gives General Counsel and corporate law departments the ability to easily and quickly search multiple sources to find information you need.

### Take advantage of global resources, all in one place.

Our comprehensive collection of influential treatises is written by highly renowned experts in the international community. You can search for specific content or browse a wide variety of topics ranging from employee relations to Internet-related issues, across multiple jurisdictions.

### Key content you need.

**The International Contract Manual** provides corporate counsel practitioners like you with everything you need to know when facing international contract situations.

Coverage of key issues regarding forming contracts with international business partners ranges from antitrust and anti-bribery issues to export control and trade.

**International Arbitration** is your resource for information related to cross-border disputes and international relationships, including:

- Understanding Transnational Commercial Arbitration
- Law and Practice of Export Trade
- Alternative Dispute Resolution Practice Guide
- Commercial Arbitration
- Comparative Law of International Arbitration
- Handbook of ICC Arbitration, 2d

**Intellectual Property** content covers all major international treatises and cutting-edge topics in the area of international intellectual property law, including:

- Eckstrom's Licensing in Foreign & Domestic Operations: Joint Ventures

- Patents Throughout the World
- Trademarks Throughout the World
- Copyright Throughout the World

**Corporate Counsel's Guide to...** is a series written by experts well-versed in the myriad of issues involved in doing business in key international markets, including:

- Economic Sanctions & Embargoes
- Doing Business in China
- Doing Business in India
- Doing Business in Russia
- Corporate Counsel's Guide to Documenting International Transactions
- Corporate Counsel's Guide to Export Controls, 2d
- Corporate Counsel's Guide to Importing Under the U.S. Customs Laws
- Corporate Counsel's Guide to International Antitrust
- Corporate Counsel's Guide to International Distribution & Licensing

### Thomson Reuters Westlaw Advantages

- **Dramatically improved search** with WestSearch®, the world's most advanced legal search engine. Simply navigate to the International page from your Westlaw home screen, and all search queries will be performed separately from U.S. content
- **Browse** the International Materials Table of Contents and search specific chapters or sections
- **Organize** more efficiently by dragging and dropping documents into research folders, highlighting text, and adding notes. Create a personalized research page using the new Custom Pages enhancement for easy access to the materials you use most.

For a complete list of included content, contact your Thomson Reuters sales representative.
